Who are we ?

From the heart of Semarang, Indonesia, Sic Mundus Creatus is a general trading company focused on satisfying the international demand for Indonesian commodities and services. As the economy of Indonesia continues to prosper and Indonesia's market continues to provide highly competitive products, we have been founded on the basis of delivering these products to international markets while ensuring the best deals possible and that needs are fulfilled in the most professional, flawless, and efficient manner.

Our product range offers not only the most competitive goods available in Indonesia. We have a network of affiliations dealing in all kinds of industries and all across the globe. Sic Mundus Creatus team is your solution for sourcing both, suppliers or buyers, anytime and anywhere.

“Unite & Prosper”

We believe that one man’s profit doesn’t have to be another man’s loss. Everyone can profit and everyone’s needs should be satisfied. There shouldn’t be a need, neither a minor desire, left unsatisfied. Scarcity is a myth that disregards the fact that alternatives always exist. Trading in both, scarcities and alternatives, should only come about for one sole purpose: the good of the people. Hence, Sic Mundus Creatus is founded upon the notion that economy, business, trade, and currency are the common language of the people of the 21st century and we’re here to make everyone happy.

MISSION

To provide services that satisfy the demands of the people and eventually make the world a better place for everyone.

VISION

To acquire the largest market share in the business of fulfilling people's desires and uniting the world in happiness and satisfaction.

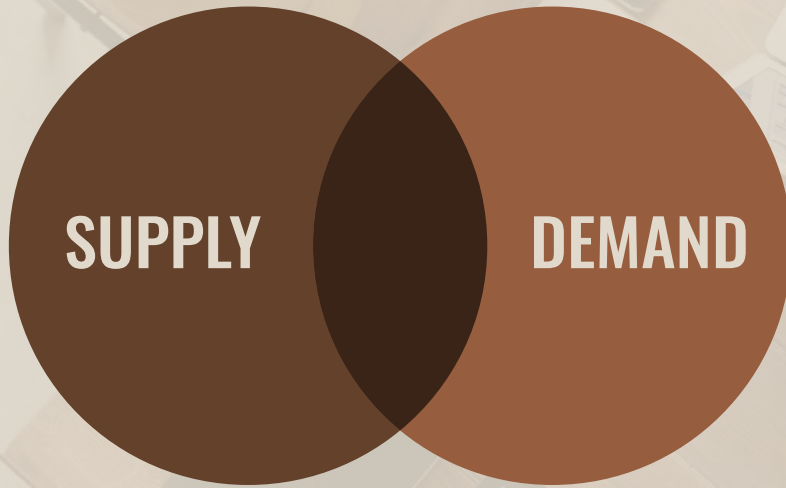

CORE VALUES

- Staying loyal is the most rewarding way of life. Protect it at all costs.
- Be professional and you'll make all the gains you want to.
- Time is the only scarcity with no alternatives for it. You cherish it, you win.
- Care is the art of acquiring the world.
- Come what may, we are one and we'll always be there.
- Never settle for what's just enough.
- Our team is capable of anything and we are aggressively working for the world to be a better place for its people.

BUSINESS MODEL

Who are our vendors?

Sic Mundus Creatus has sourced and partnered with a wide network of Indonesian-based and international goods providers. Our network consists of highly competitive and customer-driven manufacturers, trade offices, brokers, distributors, and farmers. Our relationships with our vendors are built upon trust, loyalty, and mutual prosperity. We vow to honor our accord of embracing a win-win bargain at all times. We always welcome new opportunities that cater to the prosperity of all parties involved; as in the relationship cherishes professionalism, efficiency, competence, loyalty, and ethical conduct. Accordingly, we will, at all times, avoid associations with companies that are involved in deeds of greed, discrimination, corrupt behavior, and illicit activities.

Who are our clients?

Sic Mundus Creatus caters to the demands of manufacturers, distributors, wholesalers, contractors, governments, and NGOs. We are always looking forward to more reputable triumphs to share with our business associates. We are aggressive on our persistently growing ambitions and we firmly believe that none of our wins can be attainable without the parallel success of our clients around the world.

At all times, our priority will be our clients' prosperity beyond their farthest aspirations. We don't just settle for order fulfillment, market approvals, or customer satisfaction. We aspire to create market leaders, make them acquire desired market shares, and place them above all competition.

What we do?

In short, Sic Mundus Creatus sources and offers products as per our clients' desires and we provide all services needed to guarantee product's quality, delivery time, and agreements between parties involved. The details of what we can offer our clients are as follows:

Primary Line of Business

1. We carry on the global quest to source and acquire the best products to match our clients' demand.
2. We provide our technical and legal expertise in matters of marketing, finance, transportation, warehousing, insurance, taxation, local laws, and international trade laws.
3. We engage in market research and advise about new market entries or competitive strategies.
4. We handle local and overseas negotiations on behalf of our clients ensuring the most lucrative terms and agreements.
5. We attain the desired price-quality ratio to ensure our client's competitiveness within the opted for target market.
6. We match the procured quality to our clients' expectations by deploying quality control standards, procedures, and protocols.
7. We arrange, manage, and execute shipping and transportation solutions for complex ventures.
8. We advise on and secure relevant certifications and licenses.
9. We manage sustainable business relationships between trading parties on both sides of the agreement.
10. We guarantee the product we procure and we commit to superior aftersales services.

Additional Services:

1. We enable large contracts and guaranteed quantities
2. We guarantee lead times and flawless order fulfilment
3. We arrange Banking (LCs) and guarantee credit and timely payments
4. We provide supply updates and market news
5. We offer on-demand SEO marketing and social media management
6. We anticipate, research, and report changes in import/export laws and policies
7. We coordinate challenging supply chain management and bundling logistics
8. We mediate exclusivity rights, dealerships, and agency agreements/contracts
9. We build and develop private labels and register trademarks

Ethics

At Sic Mundus Creatus, we commit to a very strict code of conduct and we highly believe that in our field of business, delivering on the ethical standards we set for ourselves is the foundation upon which our competence is built. We will never waver from our ethical obligation to our clients, suppliers, business associates, and the societies that we serve. The welfare, wellbeing, and prosperity of all parties involved will always be the end goal we want to nurture and ripen.

“The greatest goods can only be attained when the world’s constituents are in place for you. When the opportunity presents itself and when we offer you the fundamental elements of success, place your business in our hands and watch us make you thrive.”
